ALIEN - TALISMAN  
THIERRY MUGLER

The Alien EdP talisman flacon is attired with a sun ray inspired jewel.  
Only 1,140 numbered pieces are available.

The 24 carats fine gold jewel was hand produced and hand put on. It results from a partnership suggested by O&F to the jeweler Philippe Tournaire and the Solyfonte foundry.

This co-branding enlightens all the meticulous and artisanal tasks from a jeweler to achieve a precious piece of work.

O&F suggests to mix subtly both sumptuous the Fragrance and Jewelry universes.
